NEW SERVICE STATION

The Standard Oil Co., through a Lexington representative, who was in Paris, Tuesday, closed a deal with George and John M. Stuart, for the purchase of the vacant lot at the corner of Main and Eighth street. The price paid was not given out for publication.

The purchasers will clear off the lot and erect a handsome gasoline service station. At a special meeting of the City Council a permit was granted for the erection of the building at an estimated cost of \$5,000. Work on the new station will begin as soon as the excavating is completed.

The lot was originally owned by the John A. Schwartz estate and was purchased by John M. and George W. Stuart and others, with the intention of erecting a moving picture house, to be called The Marigold Theatre. A new location will be secured for the movie house project, it was stated yesterday.

The lot, reserving a small portion in the rear on which they will erect an auto tire and accessories storage house.

FAITHFUL COLORED MAN ANSWERS DEATH SUMMONS

Death has removed from the activities of life a faithful colored man, well-known to almost every man, woman and child in the city of Paris, Sam Martin, aged eighty-five, who, for almost a lifetime, was in the employ of the late John T. Hinton, and his successors in business. Martin died at his home in this city Tuesday afternoon, at 2:30 o'clock, of the infirmities of age.

"Uncle Sam" was born in slavery, in the Ferguson family of Bourbon county. Shortly after securing his freedom he secured employment with Mr. Hinton, in the early days of the latter's business career, and with zeal and faithfulness continued to serve his employer and successors. The J. T. Hinton Co., without the loss of a single day, save for sickness. He entered Mr. Hinton's employ in 1869 as driver of a horse, and probably held the record of having conveyed to their last resting places more persons than any man in Kentucky. His term of service, over fifty years, brought him into contact with almost every family in Paris and the county.

He was especially fond of the fine team of horses which drew the Hinton hearses to funerals, and had wonderful control over the spirited team. He would allow no one else to take care of them, and guarded them with the most jealous care. Shortly after the death of John T. Hinton, the founder of the business, Sam's health began to fail, and he was retired on a comfortable pension by Mr. Hinton's sons.

He is survived by his widow, Jennie Martin, and two sons, Edward and Frank Martin. The funeral, which was attended by a large number of white residents of the city, was held yesterday afternoon at the colored Baptist church, of which he had been a lifelong member, with services conducted by Rev. M. L. Porter. The burial followed in the colored cemetery, the body being borne to the grave in the hearse which he drove so long, drawn by the same pair of horses he loved.

BOURBON CIRCUIT COURT

In the Bourbon Circuit Court Wednesday the day was spent in trial of the case of Mrs. Inez Burns, as executrix of the estate of her late husband, "Bobby" Burns, Louisville & Nashville railroad engineer, who was killed about a year ago by being run over by an engine. Mrs. Burns, in behalf of herself and five children, alleged negligence on the part of the employees of the road, and asked for damages in the sum of \$75,000. Some difficulty was experienced in getting a jury, which was finally made up about noon yesterday. The plaintiff's case was in the hands of Franklin & Talbot, of Paris and Lexington, while the railroad company's interests were represented by E. M. Dickson. After arguments for both sides the case was given to the jury in the late afternoon.

The jury in the above case brought in a verdict late yesterday evening in favor of the plaintiff. The amount of \$35,000.00 was awarded.

The following Commonwealth cases were heard yesterday and penalties adjudged: John alias "Blue" Clay, transporting liquor, one year in the penitentiary; Elmer Mayberry house-breaking, three years; Will Hall, hog stealing, seven years; Robt. Estep, forgery, one year; Chas. Hughes, promiscuous shooting, sixty days in jail; John Morris, stealing auto, six months in jail.

REPUBLICANS WILL HAVE TICKET IN FIELD.

In a talk yesterday afternoon with a prominent Republican, THE NEWS was informed that in all probability the Republican party would be represented in the present campaign by candidates for some of the city and county offices. Our informant did not indicate the placing of a full ticket in the field, but stated that declaration papers would be filed in a few days of candidates for members of the Fiscal Court, and for Mayor and Councilmen on the city ticket. He stated that the Republicans were trying to select good men for as many city and county offices as possible, and that several would make a "last minute stand" before announcing. He did not mention names of prospective candidates, but stated that the men selected would represent the best element of the party.
